

CEO of Yonita, Inc. speaks at the International conference for ccTLD registries and registrars of Central and Eastern Europe

MOUNTAIN VIEW, Calif. (September 13, 2011) – Yonita Inc. announced today that Dr. Andrzej Bartosiewicz, CEO and President, speaks to over 120 delegates of the [International conference for ccTLD registries and registrars of CIS, Central and Eastern Europe](#) held on September 14th-15th, 2011 in Novi Sad, Serbia.

The conference is hosted by Coordination Center for TLD RU and co-sponsored by Register of National Internet Domain Names of Serbia (RNIDS). Technical Sponsor of the conference – Hostmaster Ltd (.UA registry).

The conference aims to engage leading registrars from different ccTLDs into discussions on the Internet issues; as well the conference will focus on organization of interaction between ccTLDs registries and registrars.

CEO's presentation entitled "*Cybersecurity in 2012-2015. The new challenges to be faced by Registries and Registrars*" will cover cyber-security aspects like cyber-crime and cyber-terrorism, motivation and objectives of cyber-attack as well as challenges to be faced by both Registries and Registrars.

Presentation discusses **business opportunities for Registrars** related to cyber-security including Web Scanner service provided by Yonita Inc.
